About Nottinghamshire Mind

Nottinghamshire Mind is an independent local mental health charity affiliated with the national Mind network. We provide advice, support, and services for people and communities in Nottinghamshire, who are experiencing mental health problems, helping them take control of their wellbeing and live full lives. Events like Mental Elf allow us to continue offering vital services across the county.

Event Overview

Get ready to jingle all the way with us at our **Mental Elf Festive Fun Run 2026** our festive extravaganza taking place at **Sherwood Pines Forest Park**, near Mansfield. Now in its **5th year**, Mental Elf has become a much-loved community event bringing people together to celebrate, have fun, and raise awareness and funds for mental health.

Sunday 6th December 2026 – Festive Fun Run

Our traditional **5km festive run** returns. Runners, joggers, strollers and rollers, along with fancy-dressed elves are all welcome! You can even bring your canine companion.

In 2025, Mental Elf welcomed **over 200 participants**, along with their **families and friends** who came to cheer them on. In 2026, we're aiming for even more to create another day full of joy, connection, and positive mental health promotion.

Why Sponsor Mental Elf 2026?

Supporting people's mental health has never been more important than it is right now. In the last 18 months, many people have experienced a mental health condition for the first time or have seen a loved one experiencing poor mental health. Your colleagues, customers, suppliers, and the communities you want to reach all have mental health – sometimes it's good and sometimes less so.

At least **1 in 4 people** will be finding it hard to look after their mental health right now. There's no better time to show your company's commitment to improving mental health for everyone. In choosing to support **Nottinghamshire Mind**, you are choosing to invest in the

health of local people. It's thanks to the hard work and generosity of companies like yours that Nottinghamshire Mind can continue the work we do.

Partnering with Nottinghamshire Mind for this event gives your business a unique opportunity to:

- **Raise brand visibility** among hundreds of local participants and supporters
- **Align with a trusted, community-focused mental health charity**
- **Demonstrate your commitment to mental wellbeing**
- **Engage employees and customers** in a feel-good, high-energy local event
- **Be featured across our print, digital, and on-site event promotion**
